Uniqued button level rights allocation
(Like : Only Add/ Modify, Delete a record Etc.)

Mode of Support

E-mail Support | Remote Support | Telephonic Support

Benefits & Advantages

General Benefits

- Easy to use and understand.
- Reliable and secure software.
- Low cost of ownership.
- Complete automation of operation.
- More time to focus on strategic tasks.
- Better informed decision making for management.
- Scalable customizable and supports multiple modules.

Benefits of Management

- Single point school management software.
- Multiple campus management.
- Zero redundancy in managing the schools records.
- Effective communication among teachers, parents and students.
- Complete automation of all operation.
- Centrally stored information with zero redundancy.
- Best possible resource optimization.

Benefits of School Administration

- Easy performance monitoring of individual modules.
- Automated and quick report generation.
- Centralized data repository for trouble- free data access.
- Authenticated profile dependent access to data use friendly interface requiring minimal learning and IT skills.
- High level data security
- Design for unproblematic scalability.
- Elimination of people dependent processes.
- Minimal data redundancy.
- Benefits of Teachers.
- Automated student attendance.
- Computerized management of marks and grades.
- Efficient and effective interaction with parents.
- Access to a forum common to students and parents.
- Better organization of school activities.
- Manage class information and analytical reports and short messaging system.

Why Should Schools Go In For Integrated School ERP Software ?

Because it provides smooth operational functions, improves efficiency, minimize overheads and gives opportunity increase module later without changing software, finally helps you achieve an automation environment (paper less) in School.

Value Added Facilities

- **SMS Integration - We can send Internet/Gsm based personalized SMS for reminder on Due Fee, Pending Certificates, Absentees, Exam Scores.**
- **Dynamic Grade configuration.**
- **Bar-code based electronic transaction in Library, Fee Counter.**
- **Bar-code Printing, Mailing Label Printing.**
- **I-Cards Printing.**
- **No Limit for Network Users.**
